Husbands Love Language Profile

Allow at least 15 to 30 minutes to complete the profile. Take it when you are relaxed, and try not to rush through it. Once you've made your selections, go back and count the number of times you circled each individual letter. You can list the results in the appropriate spaces at the end of the profile. Your wife may not do some of these, but if she did, which one of each pair would you prefer?
